Escape to Manor House for a luxurious four-night festive break, and enjoy the delights of a relaxed Christmas at a five-star country estate.

DECEMBER 23rd AT MANOR HOUSE

We'll have the Manor House beautifully decorated in anticipation of your arrival. Arrive to the scent of spruce and Christmas spices, the crackle of log fires and the sound of laughter and excitement filling the air.

Welcomed with bubbly and canapés, you'll spend a leisurely afternoon settling in, relaxing and exploring your magical Christmas home. Try your hand at archery or explore the estate by Segway tour. Maybe you'll have gifts to wrap or friends to seek out.

After dinner in the Lady Helen, enjoy a relaxing evening as you settle into the festive spirit with live music in the lobby. This is your Christmas home and we can't wait to welcome you.

CHRISTMAS EVE AT MANOR HOUSE

Waking up in Manor House on Christmas Eve feels extra special.

After a delicious breakfast, spend the day at leisure, enjoying your new home. Perhaps you'll follow our walking trails, ride out on horses or play a round of golf.

Maybe you'd prefer to read by the fire, or relax in your luxurious bedroom.

Enjoy a relaxed lunch in Major's Bar before a visit from Santa Claus, bringing a very special gift for each of our junior guests.

As dusk settles over Mount Juliet Estate, enjoy a fabulous Christmas Eve dinner in the Lady Helen, followed by live music.

CHRISTMAS DAY AT MANOR HOUSE

Start your Christmas Day with a decadent sparkling breakfast.

The morning is yours to spend relaxing, opening presents or attending a Church Service in the local village.

Christmas Day celebrations continue with a champagne reception before we serve our rather special traditional Christmas lunch in the Manor House. Let us spoil you with specially selected wines and a decadent festive spread that features all of your Christmas favourites.

Christmas afternoon is just as you'd wish, unwinding by the fire – perhaps with a signature Moongate gin and tonic – or taking a relaxed walk around the estate.

The evening culminates with an impressive seasonal buffet before settling in with family and new found friends to enjoy live music and merriment.

engages the whole world in a
conspiracy of love"*

ST STEPHEN'S DAY AT MANOR HOUSE

Enjoy a leisurely start to St. Stephen's Day, with a delicious Manor House breakfast.

Afterwards, we invite you to experience the essence of a country estate Christmas, with an archery lesson or a modern segway tour.

There will be plenty of time to fit in an invigorating swim in our Health Club, a round of golf or family walk around Mount Juliet. Perhaps you'd prefer to curl up by the fire with that new book you unwrapped and let us look after your every need.

Linger over glamorous afternoon tea, served in Manor House. Your St Stephen's Day celebrations culminate with an exquisite dinner in Lady Helen followed by live music in Manor House.

Next morning, awoken rested and refreshed, before one last delicious breakfast to set you on your way.
