## PLAY THE ONLY WORLD GOLF CHAMPIONSHIP VENUE IN IRELAND

Mount Juliet Estate's parkland golf course is set across 180 acres of rolling Irish countryside. Both water and sand play a part in the types of challenges that have come to define Jack Nicklaus' outstanding golf courses, and our 18 holes embody his ambitious, mischievous approach to course design.

The course has held an esteemed position across the Irish golfing landscape, hosting a series of prestigious international golf events, 2 x World Golf Championships and 5 x Irish Opens with the most recent being the 2021 and 2022 Horizon Irish Open. In May 2025, Mount Juliet Estate was host to the OFX Irish Legends continuing its rich tradition of tournament golf at the Estate

Mount Juliet Estate offers the finest five-star luxury accommodation, with award winning dining and state-of-the-art golf facilities.

*"Thanks' very much to Matt and all the staff at Mount Juliet, the feedback from all the players has been fantastic.*

*The course was in superb condition with a brilliant lay out, very well kept and also challenging. Having the club house as a base for the day made the whole event run effortlessly and the food was exceptional. Thanks to all the staff who went over and beyond to make our day a success."*
