TOGETHER THIS CHRISTMAS

This Christmas, gather at Hunter's Yard, where festive traditions, generous hospitality and the joy of being together come together in an unforgettable celebration.

Thoughtfully designed for contemporary country living, Hunter's Yard is a welcoming retreat where relaxed luxury, exceptional dining and genuine hospitality invite you to leave everyday life behind and simply enjoy being together.

Across two memorable nights, Christmas unfolds with wonderful food, treasured traditions and the warmth of Mount Juliet Estate, leaving you free to lose yourselves in the season, and in each other.

YOUR CHRISTMAS BEGINS

The moment you arrive, Christmas begins.

A warm welcome of mulled wine and homemade mince pies sets the tone for the days ahead. Take time to settle in as the excitement of Christmas gently unfolds around you.

There is nowhere to rush to here. Christmas unfolds at its own gentle pace.

As Christmas Eve continues, younger guests delight in meeting Father Christmas while families gather for a professional Christmas portrait to remember the occasion. As daylight fades across the estate and the fires begin to glow, gather in The Hound for a beautifully prepared three-course Christmas Eve dinner before live music brings a relaxed close to the evening. Returning to your room, a thoughtful Christmas Eve gift awaits.

A DAY TO REMEMBER

Christmas morning begins in the comfort of your room, where the excitement of opening gifts marks the beginning of a day filled with cherished traditions.

Gather afterwards for a leisurely Champagne breakfast before taking your place in The Hound for a beautifully prepared Christmas Day lunch celebrating the finest seasonal ingredients.

The best Christmas memories are never hurried.

The afternoon is yours. Wander the estate, watch a favourite festive film, settle beside the fire or simply enjoy the rare luxury of having nowhere else to be. The moments you remember most are rarely the ones you planned.

As evening falls, return for a relaxed Christmas evening buffet accompanied by live entertainment, bringing Christmas Day to a memorable close.

ST. STEPHEN'S DAY

Today belongs to you.

Spend it exploring woodland trails,
discovering country pursuits, teeing off on our
championship golf course, unwinding in the
Health Club or simply settling into your favourite
corner of Hunter's Yard. However you choose to
spend it, today moves at your own pace.

Enjoy a leisurely breakfast in The Hound before
departing refreshed, carrying home memories,
traditions and stories that will be shared for
many Christmases to come.
