YOUR
Christmas
BEGINS

The Moment YOU ARRIVE AT THE MANOR, *Christmas* BEGINS

Champagne and delicate canapés await as you step inside, where candlelight, roaring fires and the scent of winter greenery set the tone for the days ahead. Settle into your beautifully restored bedroom or suite before enjoying a leisurely afternoon at your own pace.

As the afternoon unfolds, take the opportunity to capture the occasion with a professional Christmas portrait, creating a lasting memory of your Christmas at Mount Juliet Estate.

As evening falls, take your seat for a three-course Christmas Eve dinner in the Lady Helen before retiring to Major's Bar and the drawing rooms, where live music and festive cheer continue.

A warm, inviting Christmas morning scene. In the background, a Christmas tree is adorned with lights and ornaments, surrounded by wrapped gifts. To the right, a fireplace with a warm fire provides a cozy glow. In the foreground, a round wooden table is set with a glass of whisky, a plate of mince pies, a lit candle, and a glass of red wine, creating a perfect holiday atmosphere.

A Day TO REMEMBER

CHRISTMAS MORNING
BEGINS SLOWLY.

Christmas morning begins with a leisurely champagne breakfast. Open gifts as the morning unfolds before gathering for one of the highlights of the festive season - a beautifully prepared Christmas Day lunch in the Lady Helen. Celebrating the finest Irish ingredients and timeless festive traditions, it is an occasion to gather, linger and enjoy Christmas at its finest.

The afternoon is yours to enjoy. Take a gentle walk through the estate alongside our festive hounds, relax beside the fire, share stories with loved ones or simply savour the luxury of time well spent.

As evening falls, return to The Manor for a relaxed festive buffet accompanied by live entertainment, allowing Christmas Day to draw to a memorable close.

THE *Estate* IS YOURS

Christmas at The Manor is about more than a single day. Following breakfast, discover everything the estate has to offer. Explore woodland walks, enjoy country pursuits, relax in the drawing rooms overlooking the River Nore or gather for a Festive Afternoon Tea beside the fire. Whether you choose archery, laser clay shooting, championship golf or a swim in the Health Club, every experience is yours to enjoy.

As evening falls, return to the Michelin-starred Lady Helen Restaurant for another exceptional dinner before live music and festive celebrations continue into the evening.

A place where heritage is honoured, traditions are celebrated and Christmas is experienced with effortless elegance.
